

Strategic Planning

The council was told that the Heritage Preservation Commission discussed the Strategic Planning document. Committee questions were asked regarding the goals of planning process of historic preservation and the expectations. The committee was interested in the council's interpretation of others perceptions of historic preservation and the committee. The committee was interested also if the council supports the Historic Preservation Ordinance. What are the opportunities and benefits created through historic preservation? What obstacles and barriers have been created by the historic preservation? What will historic preservation look like in Carver in ten years? Is the historic preservation sustainable in Carver? These are all questions each governmental unit has but there are not concrete answers at this point in time.

The council reviewed a Staffing Study conducted in conjunction with their Strategic Planning. The study covered staffing recommendations based on population, staff framework, hiring history, organizational structure for 2012, and growth that should be reviewed annually. Area/peer city study, administration, building inspection, city clerk/treasurer, engineering, legal, parks and recreation, planning, public services, infrastructure, hiring plan, organizational structure-full plan were all analyzed and reviewed comparing with other cities throughout the local metropolitan area.

The action plan reviewed contained many items that the council had listed and it was their consensus that these items have been completed. The council was pleased with the progress made.

Hazard Mitigation Plan

Carver County's Emergency Management Director and county personnel have been updating the Hazard Mitigation Plan over the past year. The importance of this plan for the entire County of Carver is that it allows communities to plan better for disasters; helps reduce the potential costs of disaster response and recovery; allows each community to meet the Federal Disaster Mitigation Act of 2000 and provides eligibility for mitigation funding as a result of future presidential disaster declarations. Carver County has received 'conditional approval' from the State of MN and FEMA. The plan is posted on the county's website. (search: Hazard Mitigation Plan if you have computer access)

Question was asked about training taken by the council in 2006 for NIMS (National Incident Management System). The training better represents preparedness concepts, including communications and resource management, as well as the Incident Command System (ICS) FEMA stated. The county has plans to schedule an overview class on NIMS training. The Council requested notification of this training overview.

Motion was made and carried with all ayes adopting the resolution pertaining to Carver County's All Hazard Mitigation Plan.

Center Point Energy Grant

The Fire Department received a grant check from CenterPoint Energy's representative at a council meeting to assist the department in purchasing rescue stabilization kit and air bag controller. Congratulations to the department.

The Fire Chief discussed a siren failure in Carver Bluffs West when set off by the Carver County Dispatch Office. The siren was tested and functioned properly when the Dispatcher set it off. Further testing was conducted with a result of equipment testing normal. Speculation was that some type of interference caused a malfunction. Determination of what that interference might have been could not be made.

Sheriff's Report

The council was told about the 2012 Work Plan designed as a guide for delivery of law enforcement services and coordination with city resources. The Work Plan allows for input from the community and the sheriff's office developing a list of goals, objectives, work direction and/or focus areas. The Work Plan is not meant to be all inclusive of the law enforcement mission in the Contract Communities, but instead, helps identify specific direction, concerns, priorities, or areas of interest by the community, sheriff's officials and personnel. Additional patrolling has been occurring as well.

East Union Elementary School

Summer is almost over again! Here we are, getting ready for the Carver County Fair, Renaissance Festival, and the State Fair. Once that occurs, that's right, school is ready to start its new year too. East Union Elementary School has 'Back to School Night' for the entire building on Wednesday, August 29th, 4 PM until 6 PM. I bet the personnel has all kinds of fun things planned for not only the students but their parents, as well. Be sure to mark your calendar and head out to East Union.

"Into the Woods"

"Into the Woods," the Tony Award Winning Musical with music by Stephen Sonheim and book by James Lapine will be presented by the Chaska Valley Family Theatre July 25, 26, 27, 28, Aug. 1, 2, 3, 4 at 7:00pm. July 29 and Aug. 5 at 2:00 PM.. All performances will be held at the Chaska Community Theatre, 1661 Park Ridge Drive, Chaska. Ticket prices are: Adults - \$15.00 and 17 and under - \$10.00. Go to www.cvft.org or phone 952-250-7206 for tickets or information. Special events include an Opening Night pre-show Wine and Cheese party sponsored by Parley Lake Winery in Waconia and Fresh Seasons Market in Victoria. Sundays, July 29 and Aug. 5, will feature a director chat after the show and play discussion (with your own group) following. For more information or to register your group send an email to strandbergd@gmail.com. A discussion guide will be sent to you. Registered participants will be treated to lemonade and sweets for the discussion time.

[Photo: The witch (Hayley Wender) and Rapunzel (Ali Dorschner) rehearse a scene from "Into the Woods."]

Her name is Flora!

From: Annette Hentz

Carver Country Flowers and Gifts has a new resident in their flower shop. "She's a French cow, and her original name was Le Moo, but we wanted to change that. So we held a 'Rename LeMoo' contest, and got some very creative entries. The one we selected fit three criteria's we had in mind - it's an old-fashioned name, it suits a cow, and it references the fact that she's hanging at the back of a flower shop.

Our plan is to give her a festive bonnet for each holiday, although we kind of missed the 4th of July theme. (But we already have her Halloween hat.) Watch for more upcoming photos."

Second Carver County Historical Society

The Carver County Historical Society, in partnership with the Arts Consortium of Carver County and Carver-on-the-Minnesota will be hosting their Second Annual Countywide Picnic in Carver on Saturday, September 22nd from about 11 AM to 3 PM. Plans are to have a History of Carver presentation in the Church-By-River by John von Walter, including Carver's role in the U. S. Dakota War of 1862. There will be bands in Gazebo Park, the Carver occasional shops will be open, and the Annual Carver Antique Show is slated to be in the Village Hall that weekend. There will be a Barn Quilts display, a silent auction, perhaps a pie eating contest, and the Carver Lions will have their food and refreshment booth up and running. Native American Dancers are still being sought for the event. The Carver County Historical Society website does not have the information posted yet. Plans are yet being finalized, but watch for flyers and check later for more information on their website, on the *Carver Current* website, in the next *Villager Tower*, and on the Carver on the Minnesota Facebook site. There is no cost to attend the event. There will be great food you can purchase to eat in the park, including pies, or bring your own picnic basket. "You won't want to miss this exciting day!"

Elections

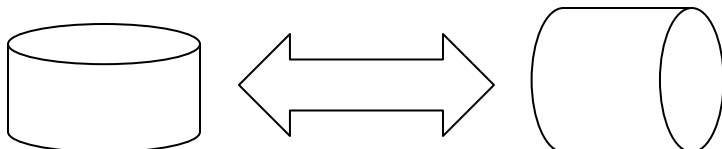

It's that time of the year again. Election time. The City of Carver is accepting affidavits of candidacy for two city council positions. Acceptance will begin July 31st at the City Hall offices at 8 AM. The filing period closes on Tuesday, August 14th at 5 PM. The positions are elected for a four year term from January 1st 2013 to December 31st, 2016.

4th Annual Fire House Drive-In

The Cologne Fire Department Relief Association is hosting their 4th Annual FireHouse Drive-In on Friday, August 17th and Saturday, August 18th at the Village Park at the southwest corner of Highway #212 and Country Road # 53. The drive-in theater is just like the old days. Movies start each night at dusk. New this year between the first and second movies will be a fireworks show. Additionally, there is a full concession stand, fire truck rides, bounce houses, educational smoke house trailer, pony rides and much more. Saturday at 3 PM is a BeanBag Tournament. Mark your calendars.

Disclaimer

The "unapproved" minutes of the council and the township have been referenced for the purpose of creating this information for residents in the City of Carver and the townships surrounding the city.

Carver Country Flowers & Gifts Reports:

Harvest Preview Open House

Between 10 AM and 5 PM starting August 23rd through August 25th, join Carver Country Flowers and Gifts for their Harvest Preview Open House. "We know August is still summer, but you'll want to get an advanced look at our Fall, Halloween and Thanksgiving merchandise. Lots of vintage-look die cuts, signs and decor; Lori C Mitchell collectible Halloween Kids; Plush Pumpkins; owls of every kind; Halloween textiles and tableware; pheasant feather wreaths; and much, much more! All fall, Halloween and Thanksgiving merchandise will be 20% off during this preview weekend. As we do every year, we'll have our Harvest Tree up (that's our Christmas tree decorated with fall leaf garlands, pumpkins, berries and Halloween ornaments."

Annual Treasure Trek

Last, but not least, Annette doesn't want you to forget starting August 23rd through the 25th, "there is the Annual Treasure Trek which is a weekend excursion along Hwy 212 from Glencoe to Chaska. You'll find "treasures" at occasional sales, thrift shops, garage sales, cafes, antique shops, flea markets and more (including Carver Country Flowers & Gifts). It will take you all three days just to see it all! Just follow the yellow signs along the way, or pick up your map here at Carver Country Flowers (or send us an email and we'll send it back, attached).

1968 Gran Sport Buick Convertible

Looking for a project? Looking for a great car to rebuild and restore? Have I got a deal for you. Want a unique muscle car from the 60's? For sale, a 1968 GS Gran Sport Buick Convertible. This is the perfect project to achieve that great investment in the end. The car needs a lot of 'TLC' and work. But the basics are there. It was a two owner car. However, again, it requires a lot of work. There were only 2,454 GS Buick convertibles made. If interested, contact the *Villager Tower* for more information. The vehicle is for sale. Only seriously interested need contact.

Carver Vehicle Fair

Wednesday, August 8th at the Community Park in Carver is where you want to be. Come and check out the big rigs, get up and close and climb aboard. The State Patrol Helicopter will be at the vehicle fair again this year. The school buses will be there too. Bring the kids at 6:30 PM and check everything out until 8 PM.

American Red Cross Blood Drive

You have heard on the news that the Red Cross has been reporting blood supply is low, so when you read this, take that into consideration and make that extra effort to go and donate please! The American Red Cross Blood Drive will be in Carver on Tuesday, August 21st from Noon until 6 PM at the Carver Village Hall. You can either make an appointment on line at www.redcrossblood.org or call Linda at 612-987-5454. Walk-ins are welcome, but appointments are preferred. Please come and donate blood.

Carver Youth Softball Baseball Association

Submitted by: Jane Thon

Our year has ended and a great one was had. We had 12 T-Ball teams, 8 Baseball teams, and 10 Softball teams. Thanks to all that worked this year to make it a success, you all deserve a "Big THANKS". This includes the coaches, assistant coaches, teams' parents and all that volunteered at the many slots that we had. The T-Ball and Baseball season ended with an appreciation meal and the youth getting their trophies. The girl's season ended with the last week of games being the tournament play-offs and the championship games being played on Saturday July 21. Carver had 4 teams making it to the championship round. Carver Red teams playing the Carver Blue teams in the 4th/5th grade and the 6th/7th grade. This ended with two 1st place teams and two 2nd place teams. Our 8th/9th grade girls and the high school girls also played and had a good showing. Congratulations to all these girls.

Our next leap is to expand our baseball grades and will be working on this in August. Many have asked to be included with this so watch for news in future issues.

Thank-you to the City and Park group for keeping our fields in good playing condition and to help us with all the items we needed. You are a great group.

In closing out the 2012 season - Again a big thanks to all who have contributed to our program and hope to see you all in 2013. Any questions regarding our program please send them to ccybsa.reg@gmail.com. Jane Thon

Outdoor Noise Regulations

The council reviewed the issue that the city does not have many ordinances concerning noise, and outdoor noise regulations. The MN Pollution Control Agency (MPCA) regulates noise and sets levels that the city has the authority to enforce. The city attorney recommended that the city not pass any ordinances regulating noise. A citizen was present at the meeting discussing the truck noises on the highway ramp by "jake braking", as well as motorcycle noises in the area.

Staffing Study

The city administrator explained the framework used in formulating the staffing study and outlining the process followed with some of the growth recommendations to the council. The staffing study should be reviewed annually. Feedback and discussion was held on the document being a work in progress.

Conditional Use Permit

The city planner reviewed the revocation hearing regarding the Conditional Use Permit for property on Sixth Street. The council had adopted the resolution granting an amended Conditional Use Permit with conditions listed. A staff inspection determined that the property was not in compliance with several conditions forwarding a letter revoking the permit to the property owner. A hearing was requested regarding the revocation letter. Another inspection was held determining eleven violations of thirty eight conditions concerning the Conditional Use Permit. The city planner reminded that removal of conditions could only be completed with an application for an amended Conditional Use Permit and completion of the process.

Purchase of the building had been the original plan by the tenant but that was not possible due to the former Conditional Use Permit. Therefore, some of the compliance items fall to the responsibility of the building owner. There was also the discussion that there had not been any complaints of the business. A lot of money had been spent for different services relating to the city. There is skepticism on some of the requirements requested for a tenant. An extension was also requested to comply with some of the items. That responsibility of some items were not the tenants was also discussed since other businesses are on the site. Statement was also presented that the business should be given consideration since the city wants businesses to stay in city limits. Comment was also made that the issue was not a Public Hearing. A facilitator for the two parties involved stated that the issue of closing on the building was in progress when the former Conditional Use Permit was discovered. It was the facilitator's opinion that time limits should be set but that the constrictions were a little too tight on some of the more major items. Reminder was also made that there have not been any complaints since the Conditional Use Permit was approved.

Councilmember reiterated two questions, same questions to each party involved. Would the structure be brought into compliance? Each party agreed that the structure would be brought to compliance. How long would that take was the second question asked? There were thirty eight original issues in the Conditional Use Permit and eleven remained on the list. It was the opinion of the two parties that the completion could be done in ninety days.

The council discussed that if the property was brought into compliance within ninety days that the Conditional Use Permit would be automatically revoked. The tenant hired an architect to determine the costs involved to renovate along with items to bring the building up to code. The building official will also be checking State Code for compliance. Motion was made and carried with four ayes and one nay adopting the resolution revoking a conditional use permit allowing the tenant and property owner ninety days to bring the building into compliance.

Positive Connections

School will be starting before we know it. Looking for the perfect hours to be available for the kids, work hours that coincide with school hours? Driving school bus will give you that and some income at the same time. Training will be provided to help you secure a school bus endorsement. Applications are being taken now, come and apply in person and see if this is the perfect job for you. Facility is located at 460 Hickory Street in Chaska, MN.

SteamBoat Days

The finalized plans for SteamBoat Day are still being finalized. There are some notable changes from past years. The 5K race is taking place on Saturday this year, not Sunday. So if you plan on participating, be sure to contact the SteamBoat Days Committee and get all the accurate information. There will be an all-weekend wristband option. The car show will be moved from Fourth Street to Sixth Street on Broadway. Music on Friday will be Diamondback and on Saturday you will be entertained by Johnny Holm. The fireworks will also be earlier this year. They will be at 8:15 PM approximately.

The preliminary calendar is listed later in this newsletter. Some of the highlights are:

Friday, September 7th: City wide garage sales start. There are kid's games and activities from 4 until dusk. The first clue for the Medalion hunt, food vendors and the Lion's tent opens. The Water Fights will occur, starting at 5:45 PM. The Miss Carver Coronation will be at 8 PM and music by Diamondback.

Saturday, September 8th : Children's Pet Show, Mini Expo, Car Show, Kids DJ and Karaoke, Burn out Contest, Fireworks and the ending for the evening, the Johnny Holm Band performs.

Sunday, September 9th: The Pancake Breakfast begins at 8:30 AM until Noon. Kiddie Parade, main Parade and entertainment by Dale Dahman and the Beats.

Check-out the website: www.carversteamboatdays.org.

Carver's National Night Out

This year, Carver will be participating in the "National Night Out" on Tuesday, August 7th. Applications to participate in a neighborhood 'Block Party' can be gotten at the Village Hall or from the city's website. The Fire Department and/or the Carver County Sheriff's personnel will attempt to visit all of the registered parties within the city.

So what is "National Night Out"? According to the website (www.nationaltownwatch.org):

"The National Association of Town Watch (NATW) is a non-profit, crime prevention organization" working cooperatively with crime watch groups and law enforcement agencies throughout the country. Since 1981, the organization has been dedicated to the development, growth and maintenance of organized crime and drug prevention programs nationwide. For more information on their history, go to their website.

"The First National Night Out was introduced in 1984 with the event culminating on the first Tuesday in August. While the traditional 'lights on' and front porch vigils remain a part of the National Night Out activities, activities have expanded considerably over the years to include block parties, cookouts, parades, visits with police, festivals, neighborhood walks, safety fairs, contests, rallies and meetings."

So there you have the explanation and maybe the incentive to participate and get to know your neighbors and be a part of a better cause. Certainly is not a waste of time.

Carver Hair Salon

In honor of welcoming Shannon Hawes to the Carver Hair Salon here is a coupon to come and check out what Shannon can do to give you that 'make over' you are searching for. Shannon has six years experience, specializing in colors. She also loves doing haircuts and waxing. She is very excited and eager to serve the Carver location. So book today!

Carver Lions

Submitted by: Joanne Weygand

It's that time of the year again. The Lions held their annual elections. The new officers start their terms in July 2012. The officers are:

President	Randy Hulstrom
Secretary:	Joanne Weygand and Brent Mareck
Treasurer:	Shannon O'Bryan
1st Vice Pres	John Lenzen
2nd " "	Tim Craig
3rd " "	Evelyn Grimm
Tailtwister	Bob MacMullen
Lion Tamer	Chris Jerome
Director 1st Yr	John Schulte
Director 1st Yr	Gayle MacMullen
Director 2nd Yr	Eric Watkins
Director 2nd Yr	Bill Bickingham
Membership	Laura Niesche

The Lion's just hosted their Annual Youth Exchange Picnic at the Lions Park. This year they hosted 39 students from a variety of countries around the world. Some of them are Mongolia, Russia, Norway, Sweden, Poland, Czech Republic, Brazil, Israel, Mexico, and Austria. The Carver Fire Department brought the rescue truck. The students got a demonstration of some of the equipment and got to "suit up" in fire gear. The weight of which is about 90 lbs when fully geared up for a fire. We had a great build your own taco lunch. Anna Edlund from Funky Minds came with some of the teens and younger girls. They decorated the sidewalks and the Lions Picnic shelter. The students signed a map indicating their home country. We then had a rousing game of softball. The event was chaired by Cindy Hagen and staffed by the Carver Lions. And clearly everyone had a wonderful time.

The Lions just finished their sponsoring of the Riverside Rhapsody concert project chaired by Greg Osterdyke and staffed by the Carver Lions. The Lions provide food and beverage for all three of the open air concerts held in Riverside Park. So be sure to tell the Lions thanks. Not sure who to thank? When you go to SteamBoat Days, be sure to stop by the Lion's tent and just say thanks. Chances are your server is a Lion.

The first Wednesday of August the Lions will be meeting at the Village Hall. Come September, the Lions will be going back to their two monthly meetings, the first and third Wednesday of the month. Remember, everyone is always welcomed. Meetings are held at the Village Hall. Meetings are jam packed full of fun and giving. There is never a dull moment nor an idle member. Come and join in. Check it out. You don't want to be that person who says, "Why did I wait so long. I should have done this sooner."

The Lions are all busy with plans for SteamBoat Days. Join in and be part of the historical memories associated with not only the City of Carver, but the great group of people who put the event together with others.

Friday, September 7th
