

# Volume X August/September

1992  
Number #one hundred three

## Gary's Place

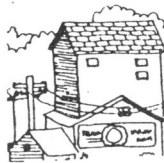

The owner of Gary's Place informed the council on August 3rd that he would be remodeling the bar slightly. He also requested putting Sunday Liquor on the November ballot. Request was also presented to issue a temporary license for Sunday, September 13th during SteamBoat Days. Motion was made and carried to put Sunday liquor on the ballot. Motion was made and carried to approve year 3.2 license for Gary's Place on Sundays providing proper forms are presented and proof of insurance.

## Public Works Maintenance Garage

Frey received three quotes for the maintenance garage building. These quotes did not include plumbing or electrical, etc. These plans are for a 40' x 60' x 16' high building. Mayor Meyers appointed a committee to investigate the type of building and best placement. This committee is to report back to the council in October.

## Apartment Complex

Administrator informed the council that the municipal utilities' fees for the apartment building are in excess of \$ 80,000. Lunak would pay ten percent (10 %) down on that amount and ninety percent (90 %) would be placed on property tax rolls for the next nine years. Motion was made and carried to put ninety percent of municipal utilities' hook-up fees for apartments on tax rolls for the next nine years.

## County Road #147

Administrator attended the Carver County Board meeting about County Road # 147. County Board's interpretation of letter sent by the city was that the city was not cooperating. The board's decision was to go ahead with County Road # 147, upon completion, the city will be expected to accept the present county road.

## Dahlgren Township Board

Administrator and attorney sent letters to the Dahlgren Board to inform them of a new state law allowing a city to annex sixty (60) acres of land if the property owner(s) have petitioned for annexation without township approval. Motion was made and carried to table the issue until board arrived. The issue was discussed when members of the board arrived to discuss annexing one hundred (100) acres of Kelly's land. Administrator explained that the annexation process has been modified in recent years in favor of cities and can be done by ordinance.

Dahlgren board member commented that the city's Comprehensive Plan did not designate area for development. He further requested a time table for serving development with municipal utilities, since presently the board can serve property as well as the city. The mayor stated that options are being researched for updating the Comprehensive Plan. He stated further that the city is unable to give a time table for municipal utilities extension.

Board member expressed concern of the city annexing said one hundred acres and then int he future taking land sixty acres at a time until reaching East Union. The mayor responded that property owners must petition for annexation.

The mayor also explained the city's desire to work with the township board on this issue. The board would like to see a development plan prior to agreeing to anything. The board would discuss the issue at their board meeting and get back to the council.

## 1993 Police Contract

Administrator told the council that patrol service rates for 1993 were at the same rate as 1992. Discussion pursued about contract services and whether or not time should be increased. Councilman stated that they would still like to see the Community Services Officer position implemented by the county. Council man also stated that they were dissatisfied with services rendered.

Motion was made and carried to retain patrol services with Sheriff's Department, but also to forward a letter requesting implementation of the Community Services Officer program.

## Miscellaneous

Motion was made and carried approving consent agenda providing that organizations requesting temporary 3.2 licenses provide proof of proper insurance.

Frey informed the council that the Department of Fish and Wildlife contacted him regarding placing a holding structure at the edge of Riverside Park to help keep water off the fields and in the swamp. The department will be submitting an agreement for the city's consideration. Presently, beaver dams are causing the problem of holding back water on fields.

Council was told that upgrade of gravel portio on Fourth Street is progressing slowly. Reminder was made that labor is being donated to keep costs down. More work has also been done on Community Park by volunteers. Citizen thanked the council for work done on street, but was concerned about the erosion occurring. The installation of a culvert is still necessary.

After brief discussion, decision was made to put excess funds in Streets Major Fund. Motion was made and carried placing excess funds in the Streets Major Capitol Fund.

Administrator informed the council that two households have defaulted on Rehabilitation Loans. Arrangements were made to repay loans in monthly installments.

Council requested explanation of Excess Liability Quotation. Motion was made and carried tabling action on this quote.

Administrator told council of decision to not renew service warranty on computer since replacement would be more cost effective than paying cost of warranty.

St Nicholas Church requested charitable gambling license for SteamBoat Days. The council did not have any objections.

Administrator updated council on the installation of the weather siren. A timer and another radio and a pole are needed. this cost would be approximately \$ 3,000. Council had budgeted \$ 2,000. Motion was made and carried approving costs over budget for placement of weather siren.

Administrator was directed to draft an animal ordinance for the next council meeting. A Public Hearing was scheduled for September 8th meeting on proposed ordinance.

Mayor suggested issuing a challenge to neighboring councils for a water fight during SteamBoat Days. Letters are to be forwarded.

## Election Filing

Filings for City Offices will open August 25th and close September 8th, 1992. Filings are open for the Mayor's position and two council persons. Mayor's position is a two-year term and councilman's positions are four year terms.

You may file at the Village Hall. Call 448-5353 for office hours.

- 16) Adjourn

## School Patrol

During the week of July 26th to August 1st, Kate Lindquist, Tara Olinger, Keith Turnquist and Richard Geiser completed training at Legionville School-Patrol Training Center.

Legionville, established in 1936 is located on North Long Lake, Brainerd, MN. It is sponsored by the MN Legion and has an annual enrollment of 1800 campers. The purpose of this unique facility is to train boys and girls of the State of Minnesota in the procedures of school safety work at inter-sections and in the school bus. Also during the week, campers attend classes in first aid, canoeing, and swimming.

## Carver Community Pack

Volunteers are welcomed and needed to work on the community ball park. Please feel free to contact Ken Frey at City Hall, 448-5353.

## Disclaimer

The preliminary unapproved minutes from the City of Carver's council meetings were referenced to compose the Village Tower.

## Carver Lions Lioness News

The Carver Lioness and Lions are hard at work and busy getting ready for SteamBoat Days. The Lioness and Lions will have the food tent with helpers from ball team players and their parents. Proceeds will be used for the new Community Ball Park. They are also responsible for the parade coordination.

The Lioness would also like to give you advance notice to start getting ready for the annual Halloween party scheduled to be held Saturday, October 24th, 1992. More information to follow in the future. Start making your costumes for the event.

The Lions hosted two Youth Exchange students this year. One student resided with Barb and Darrel Swanson. Her name is Anne-Eva Michellund and she was from France.

Rob and Ann Swanson from Dahlgren Township area hosted a young lady from Belgium; Natalie Breyer.

The Lions have been on work detail for community volunteer work on the Community Ball Park.

During SteamBoat Days, sometime after the parade on Sunday, the Lions will hold a "Mortgage Burning" hoopla.

## Carver Lions

The Carver Lions sponsored Chad Peterson in the Mr Minnesota Teen Program this year. The results of that sponsorship was interesting and would like to share Chad's accomplishments with you all.

Chad won an award for Top Achiever for seventeen year olds and won a plaque. Chad also received honorable mention and second place for Scholarship Achievement; honorable mention and third place for overall leadership; and last, but not least, received a plaque and scholarship in Community Service Volunteerism.

Congratulations Chad!!

## Carver-on-the-Minnesota

Carver-On-The-Minnesota members are still actively seeking crafters to display their creative wares Saturday and Sunday during SteamBoat Days.

ICE CREAM SOCIAL is scheduled for Sunday afternoon which will be held at the Church-By-The-River location. They will be serving ice cream cones and root beer floats. For your enjoyment, the Minnesota BlueGrass Association will be providing music also at this site. Donations would be welcomed and appreciated for the group entertaining free to the public, as well as for the organization (Carver-On-The-Minnesota). The group has also discussed possibly extending the Ice Cream Social to Saturday due to the success of last years social. This is tentative. However, bear in mind that the BlueGrass Band will be providing music on Saturday too.

Carver-On-The-Minnesota will also be offering refreshments and muffins to Steam-Boat Days enthusiasts and antique purchasers, vendors and anyone who likes these delicious, mouth watering delicacies. These refreshments will be available at the Village Hall area.

## Lions Exchange

Darrel, Barb and Anne Swanson were pleased to host an Exchange Youth from France. Anne-Eva Michellund spent six weeks with the Swansons and they report that it was a very positive experience. Anne-Eva's parents live in Grenoble, France and are very active in Lionism in France. Her father, George is President of the Club, her mother is President of the Lioness Club and her brother is President of the Leo Club, which is a Club for the youth only. Anne-Eva and her parents extend an invitation to all Members of Carver Lions to visit them in Grenoble, if possible. Anne-Eva presented some souvenirs to the Carver Club, and they have been placed in the Lions case at the City Hall. Her English improved dramatically in the six weeks she was here and stated, "Thank you very much for extending the invitation, I enjoyed my stay alot, and thank you for the week at camp, it 'a was very nice."

## Youth Commission Letterhead Logo Contest

School District # 112 Youth Commission held its first meeting in April of this year. There are six students and seven adults who serve and are voting members. Carver representatives are Chad Peterson (student) and Ken Frey (adult). Other representatives are from Carver County, Chanhassen, Victoria, Chaska and District # 112. The purpose is to improve coordination, communication, and cooperation among the youth serving agencies and services; to provide advice and make recommendations on broad planning goals and policies for children and youth; to give youth a voice in their community. One of their goals in working with youth serving agencies is to avoid duplication of services and to respond to identified and unmet needs.

One of their first projects is the compilation of information on opportunities for youth to serve as volunteers. Approximately 90 groups are being contacted. A directory of service opportunities will be printed and distributed to teachers, students, and area organizations this fall.

At this time, however, the Youth Commission does not have a LOGO for their stationary. A logo is a symbol or letter which represents an entire word, phrase or name. The Youth Commission is sponsoring a LOGO CONTEST open to the public.

Requirements include:

- 1) Must be original and creative
- 2) May be submitted by anyone in District # 112
- 3) Logo may be no larger than 2" x 8"
- 4) Must be indicative of the Youth Commission and its purpose
- 5) Youth Commission decision on the winning entry is final

Send entries to LeeAnn Olinger, Box # 5, Victoria, MN 55386. Entry deadline is September 15th, 1992.

If you have any questions, please call Chad Peterson, 448-4857, Ken Frey, 448-5353, Jeanne Straus, 368-3686 or LeeAnn Olinger at 443-2734 or write to Chad at 507 SkyView Lane, Carver, MN 55315.

Next meeting will be September 28th at Early Childhood Center in Jonathan.

# Steamboat Days

Annual Steamboat Jubilee
