

Gazebo Lighting Ceremony

November 25th 2017

Everyone is invited to join in with Carver on the Minnesota, Carver Lions, Funky Minds and the City of Carver who are all partnering together to decorate the Gazebo and the Park for the holidays.

Plans are to celebrate a Tree Lighting Event in the heart of the historic downtown Carver. Plans are to place a tree in the center of the Gazebo, decorate the tree, mount five wreaths on the gazebo, along with other decorations, and of course lights. The city's businesses contributed for the decorations, and Funky Minds' crews are making decorations.

There will be a food donations box at the park so be sure to bring along non-perishable to donate to a needy family.

November 25th is also Small Business Saturday. The Occasional Shops will be open later for the ceremony.
