

Children of Tomorrow is hiring:

“We are looking for independent, reliable, hands-on people who are willing to think outside the box! Use your creative energy to enhance the lives of children by creating a caring, challenging, and safe classroom environment. Reach your full potential by helping children reach theirs! APPLY TODAY!

We offer a competitive benefits package with a great training program. Applicants must be qualified under MN Rule 3 – have education in early childhood (or related field) and previous childcare experience.

Qualifications:

Teacher: A child care center teacher must be at least 18 years old and meet one of nine possible combined credential, educational and experience requirements; for example, a high school diploma with 4,160 hours experience as an assistant teacher and 24 credit hours in a child care-related area of study.

Assistant Teacher: An assistant teacher must work under the supervision of a teacher, must be at least 18 years old, and meet one of nine possible combined credential, educational and experience requirements; for example, a high school diploma with 2,080 hours of experience as an aide or intern and 12 quarter credits in a child care-related area of study.

Aide: An aide carries out the child care program activities under the supervision of a teacher or assistant teacher. An aide must be at least 16; if under 18, the aide must be directly supervised by a teacher or assistant teacher at all times except when assisting with sleeping children or with toileting and diapering.

EXPERIENCE OUR EMPLOYEE BENEFITS

Welcome! We are so happy to meet you!

Let's explore a few benefits we offer our teachers.

Teach Scholarship

We are always wanting growth and new opportunities for our teachers. One way we support is with T.E.A.C.H. Early Childhood® MINNESOTA is a scholarship program that helps early childhood and school-age educators increase their levels of education, compensation, and commitment to the field by earning college credits and degrees.

CDA

The nationally recognized Child Development Associate® (CDA) Credential™ offers recognition for valuable knowledge about working with children and helping them reach their full potential. It is often a first step into a career educating young children. This self-paced online course is 100% paid for by Children of Tomorrow and supports teachers to receive their Lead Teacher credentials.

Birthday PTO

Happy Birthday to you! We want you to celebrate YOU! Enjoy a full 8 hour day of FREE PTO the month of your birthday as our gift to you!

Bonus Opportunities

Celebrating is what we do best! On your anniversary you will earn a \$100 bonus for every year you work. We have a monthly bonus program that we offer our teachers the last Friday of every month.

Winter Break

You deserve a break! Which is why we pay for a full week of winter break from December 26th through December 30th to spend time with your families, celebrate holidays, or just relax!

IRA Banking

An individual retirement account (IRA) is a savings account with tax advantages that individuals can open to save and invest in the long term. Like a 401(k) account that an employee obtains as a benefit from their employer, an IRA is designed to encourage people to save for retirement. Anyone who has earned income can open an IRA and enjoy the tax benefits that these accounts offer.
